Package Contents

- SD Card Reader/Writer x 1
- Quick-Start Guide x 1

Requirements

Host Computer

- Thunderbolt 3 Port x 1

SD Card

- (Optional) SD Card x 6

Product Diagram

Actual product may vary from photos.

Connecting the SD Card Reader/Writer

1. Connect the Thunderbolt 3 Connector to a Thunderbolt 3 Port on the Host Computer.

Note: Driver installation is not required.

Note: Use the Thunderbolt 3 Port on your Host Computer with the highest power output for the best performance. Consult the manufacturer of your Host Computer for details regarding the power specifications of your Thunderbolt 3 Ports.

Inserting an SD Card

1. Insert an SD Card, label side up, into one of the SD Card Slots on the front of the **SD Card Reader/Writer**.
2. Once inserted, push the SD Card into the SD Card Slot until it clicks into place.

Note: The Host Computer's Operating System (OS) will automatically detect the SD Card and install the required driver software.

3. Repeat Steps 1 and 2 for the installation of up to five additional SD Cards.
4. Access the data stored on the SD Card inserted in step 1.

Note: The SD Cards may require formatting before they appear up on your Host Computer.

Removing an SD Card

Warning: Removal of an SD Card before it is safe could result in the loss or corruption of data on the SD Card.

Windows

1. Click on the **Up arrow** on the right side of the **Taskbar**.
2. The **System Tray** will pop up, revealing a set of icons.
3. Click on the **Safely Remove Hardware** icon.
4. The **Safely Remove Hardware** screen will appear.
5. Select the SD Card you wish to remove.
6. A message will appear telling you when it is safe to remove the Card from the **SD Card Reader/Writer**.

macOS

1. Close any open screens associated with the **SD Card Reader/Writer**.
2. On the **Desktop**, click and drag the **USB storage** icon to the **Trash Can** icon. The **Trash Can** icon will turn into an **Eject** icon indicating that it is safe to remove the SD Card from the **SD Card Reader/Writer**.

Keyboard Shortcut (Optional)

1. Select the **USB Storage** icon.
2. Press **Command + E** to safely eject the SD Card. The SD Card can now be safely removed from the **SD Card Reader/Writer**.

Physically Removing the SD Card

1. Push the SD Card into the **SD Card Reader/Writer** until the SD Card clicks. The SD Card will be ejected from the SD Card Slot.
2. Pull the SD Card out of the SD Card Slot.

LED Indicators

There are six LED lights on the **SD Card Reader/Writer** (one next to each SD Card Slot). These LED lights indicate different **SD Card Reader/Writer** functionality:

Solid LED

- Indicates that the **SD Card Reader/Writer** is active (SD Card inserted correctly and the **SD Card Reader/Writer** is connected to the Host Computer).

LED Off

- Indicates that either the SD Card is not correctly inserted in the **SD Card Reader/Writer**, the SD Card is not functional, or the **SD Card Reader/Writer** is not connected to the Host Computer.

Flashing LED

- Indicates activity (the SD Card is being accessed by the **SD Card Reader/Writer**).

Safety Measures

- If product has an exposed circuit board, do not touch the product under power.
- If Class 1 Laser Product. Laser radiation is present when the system is open.
- Wiring terminations should not be made with the product and/or electric lines under power.
- Product installation and/or mounting should be completed by a certified professional as per the local safety and building code guidelines.
- Cables (including power and charging cables) should be placed and routed to avoid creating electric, tripping or safety hazards.

Mesures de sécurité

- Si l'un des circuits imprimés du produit est visible, ne pas touchez le produit lorsqu'il est sous tension.
- Si le produit est Laser de Classe 1, le rayonnement laser est présent lorsque le système est ouvert.
- Les terminaisons de câblage ne doivent pas être effectuées lorsque le produit et/ou les câbles électriques sont sous tension.
- L'installation et/ou le montage du produit doit être réalisé par un professionnel certifié et dans le respect des normes locales et du code de construction local.
- Les câbles (y compris les câbles d'alimentation et de chargement) doivent être placés et acheminés de façon à éviter tout risque électrique, de chute ou de sécurité

安全対策

- 製品に露出した状態の回路基板が含まれる場合、電源が入っている状態で製品に触らないでください。
- クラス1レーザー製品では、システムが開放状態の場合、レーザー光が照射されています。
- 電源が入っている状態の製品または電線の終端処理を行わないでください。
- 製品の設置やマウントは、使用地域の安全ガイドラインおよび建築基準に従い、有資格の専門業者が行うようにしてください。
- ケーブル(電源ケーブルと充電ケーブルを含む)は、適切な配置と引き回しを行い、電気障害やつまづきの危険性など、安全上のリスクを回避するようにしてください。

Misure di sicurezza

- Se il prodotto ha un circuito stampato visibile, non toccare il prodotto quando è acceso.
- Prodotto laser di Classe 1. Quando il sistema è aperto sono presenti radiazioni laser.
- I terminali dei fili elettrici non devono essere realizzate con il prodotto e/o le linee elettriche sotto tensione.
- L'installazione e/o il montaggio dei prodotti devono essere eseguiti da un tecnico professionale certificato che conosca le linee guida locali sulle norme edilizie e sulla sicurezza.
- I cavi (inclusi i cavi di alimentazione e di ricarica) devono essere posizionati e stesi in modo da evitare pericoli di inciampo, rischi di scosse elettriche o pericoli per la sicurezza.

Säkerhetsåtgärder

- Rör aldrig vid enheter med oskyddade kretskort när strömmen är påslagen.
- Om laserprodukt är Klasse 1, laserstrålning avges när systemet är öppet.
- Montering av kabelavslutningar får inte göras när produkten och/eller elledningarna är strömförda.
- Installation och/eller montering får endast göras av behöriga yrkespersoner och enligt gällande lokala förordningar för säkerhet och byggnormer.
- Kablar (inklusive elkablar och laddningskablar) ska dras och placeras på så sätt att risk för snubblingsolyckor och andra olyckor kan undvikas.

FCC Compliance Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Troubleshooting

Reactivating an SD Card Autoplay/Autorun Function

Depending on the Host Computer's OS, the **SD Card Configuration** screen may appear, giving you several configuration options. If you select the **Take No Action** option, you will deactivate the **Autoplay/Autorun** function. To revert back to the original settings:

Windows 10

1. Click the **Windows** icon or press the **Windows key** on your keyboard.
2. Type *Autoplay* and click on **AutoPlay Settings**.
3. Find the device you want to update from the list and use the dropdown menu to select the action you wish the system to perform upon drive insertion.

Note: These steps may be different depending upon your Operating System.

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by StarTech.com could void the user's authority to operate the equipment.

Industry Canada Statement

This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe [B] est conforme à la norme NMB-003 du Canada.

CAN ICES-3 (B)/NMB-3(B)

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

(1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com.

Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Warranty Information

This product is backed by a two-year warranty. StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
